Students, it is your responsibility to get all homework assignments.

Pre-approved Absence: Discretion is strongly advised in seeking approval for a pre-approved absence. While special events and trips could be advantageous for some students, they could also be detrimental for others. Absences for students who are just maintaining passing grades could have a serious negative effect on class studies and grades. Parents are asked to give this careful consideration before deciding on a trip or activity.

Students are expected to make arrangements with all teachers for any work that they will miss prior to a pre-approved absence. Students should make every effort to complete the work before leaving. If this is not possible, then they will be expected to have the work completed upon their return.
